

Welcome to Frostburn!

Frostburn is Western Pennsylvania's first regional burn event. We're over the moon about how many people have come along and really hope you have a great time while you are here. With Frostburn being a new event held in the winter planning has not been without its problems as we are sure you can imagine. We'd love to hear about your experiences and gather some feedback and ideas about how we can improve the event next time around.

Please take a few moments to tell us a bit about yourself and your share your thoughts about the Frostburn experience. You can record data for up to 4 people on this form – please use the back of this form if you need more space. When you have finished the questionnaire, please place it in the "drop box".

We hope you'll come back again!
Happy FrostBurning!
